

# ICOI World News

INTERNATIONAL CONGRESS OF ORAL IMPLANTOLOGISTS

AUGUST 2007

## ICOI World Congress XXV in San Francisco, California

*Dr. Eduardo Topete Zamora & Dr. Carl Misch  
Co - Director ICOI*

*The Table Top Presentations were sponsored by our  
Platinum sponsor, Nobel Biocare.*

The General Session was opened with welcoming comments by ICOI Co-Chair, Dr. Kenneth Judy, followed by a dedication to our late colleague, Dr. Robert Stultz by his friend and research partner, Dr. Charles Bertolami, Dean Elect, New York University College of Dentistry then delivered an inspiring address on Academia's role in shaping the future of implant education. Following a full afternoon of main podium lectures which focused on Esthetics & Implant Dentistry the day ended with our **Welcome Reception with the exhibitors, which was sponsored in part by our Gold Sponsor, Tera Recon.** Food and drink was served to 1,500 people!

*Drs. Topete explaining the most advanced techniques.*

### Misch Institute and Mexican College of Oral Implantology celebrated their 25th anniversary

At the World Congress in San Francisco, the International Misch Institute and the Mexican College of Oral Implantology celebrated its silver anniversary. Dr. Eduardo Topete presented Carl with a photo of him, Dr. Topete and Dr. Judy taken 25 years ago when Ken introduced Carl and Eduardo as the "infantes" of Implantology.
